

## Travis County Partnership Program

It is with great pride that we offer this opportunity to businesses and community organizations that would like to make a difference in Travis County.

### GOAL

To foster community outreach so that *all* eligible Travis County citizens may exercise their rights and responsibilities as American citizens to register and vote in national, state and local elections.

### PARTNERSHIP COMMITMENT

**Travis County Voter Registration Partners** must commit to **establish and maintain** specified voter registration activities that contribute to helping citizens register to vote and update their addresses or to obtain Election Identification Certificates.

### ELIGIBILITY (must meet one of the following criteria)

- Businesses in good standing
- Non Profit 501.c3 organizations
- Governmental entities
- Schools
- Political organizations that file financial reports with the Federal Election Commission, State Ethics Commission, Travis County Clerk, City of Austin Clerk or with any other governmental entity that covers territory located within Travis County
- Professional Associations in good standing
- Neighborhood Associations; and
- Religious Institutions

### Our Partnership Program has three levels:

#### SILVER:

- Place a Voter Registration display box in your place of business which includes mail-in voter registration applications.
- Place a Travis County voter registration sign near the substation box for visibility. (Optional)
- Include the Travis County voter registration link to your Business website to assist resident with voter registration information.
- Agree to contact Travis County when voter registration applications are needed.
- Agree to have your business name and address posted on the Travis County website as a location that has voter registration applications.
- Agree to Travis County advertising your business address during election cycles through social media, newspapers, television etc.

#### GOLD:

Would include all of the SILVER requirements and:

- Agree to host an annual voter registration event(s) at your place of business or at a community event.

#### PLATINUM:

Would include all of the GOLD requirements and:

- Provide in-kind promotion, print, recording of advertising materials, etc. for voter registration events and celebrations.
- Allow Travis County to post your company logo at special events and celebrations as a partner to Travis County.

Thank you for helping us make Travis County the most registered county in Texas.
