

REQUEST FOR DISABILITY EXEMPTION

Pursuant to Section 13.002(i) of the Texas Election Code, I hereby request a permanent exemption from the requirement to present identification other than the voter registration certificate at the time of voting on the ground that I have a disability and do not have any of the forms of identification listed in Section 63.0101 of the Texas Election Code. The authorized forms of identification are: **a Driver's license, election certificate, personal identification card or concealed handgun license issued by the Texas Department of Public Safety; United States Military identification card containing the person's photograph; United States citizenship certificate containing the person's photograph; or United States passport**, and with the exception of the United States Citizenship certificate, the identification presented for voter qualification at the polling place must be current or have expired no more than 60 days before it is presented.

I have attached written documentation from the United States Social Security Administration evidencing that I have been determined to have a disability or from the United States Department of Veterans Affairs evidencing that I have at least a 50 percent disability rating. I understand the exemption cannot be granted without this documentation.
