Tax Code Section 31.02 grants military personnel serving on active duty during a war or national emergency 60 days to pay their property taxes without penalty and interest from the earliest date of the following four dates: discharge from active military service, return to the state for more than 10 days, return to non-active duty status in the reserves or the war or national emergency ends. If this applies to you, please complete this form and return to the collecting office named above. The collector will notify you about the decision on your request and if the waiver is granted. You will receive a refund of the penalty and interest if you paid that amount and then receive the waiver. Failure to pay within the 60-day period results in the accrual of penalty and interest for the entire delinquency. For the purposes of Section 31.02, a person is considered to be on active military duty if the person is covered by the Soldiers' and Sailors' Civil Relief Act of 1940 (50 App. U.S.C. Section 501 et seq.) or the Uniformed Services Employment and Reemployment Rights Act of 1994 (38 U.S.C. Section 4301 et seq.), as amended.
